

The National Association of State Boating Law Administrators (NASBLA) is conducting a study to improve boating safety courses offered online as well as in the classroom.

As a thank-you for participating in the study, you will receive a \$7 rebate towards the cost of your boating safety course when you return to complete the final part of the study in four months. In addition, you will be eligible to win one of 20 inflatable life jackets or the grand prize - \$500 VISA check card.

Please note that your certification status will not be jeopardized by participating in this study and your personal information will not be shared. By agreeing to be a part of this study, you are agreeing to be contacted via e-mail by researchers at Human Resources Research Organization (HumRRO). If you have any additional questions regarding this study, please contact the researchers at [study@nasbla.org](mailto:study@nasbla.org).
